Gentlemen,

Thank you, Thank you, Thank you!!!! I am truly grateful for the opportunity that the two of you cultivated for the students and staff here at Thomas Jefferson Middle School! It goes without saying that the lives of these young people will forever be impacted. Today, we did something great and I am so happy to have been a part of it all.

Mr. Jermaine Jones; thank you for your unwavering support, endless energy, social and financial resources and most importantly your God given purpose! Without your introduction and generosity this partnership never happens.

Mr. Mike Pell. Thank you for being a visionary in every sense of the word. Thank you for being brave enough to introduce yourself to Jermaine. I know your life has forever been changed by meeting that man lol! Through that chance encounter, I as well as the greater Teaneck community are all benefactors of this once in a lifetime opportunity. Thank you for your willingness, continued support and the resources and support of the Microsoft community.

They say "Teamwork makes the Dream work" and on this day it did! I look forward to further collaborating with the both of you for years to come. Stay encouraged, forward thinking, and aligned with the destiny that is instored for your life.

Peace and Blessings,

Mr. Robert Davis Jr.
