To Whom it may concern:

Lyndhurst Middle School has the opportunity to host a "Share the Love," presentation with guest speaker Mr. Jermain Jones. On February 24, 2021 Mr. Jones joined us for our first virtual assembly. Mr. Jones spoke to our 6th-8th students and staff about his experiences and how he managed tough times. Mr. Jones' presentation was motivational and inspired our students to be the best person they can be.

Mr. Jones is one of the most charismatic speakers I have ever heard. He captures his audience and speaks in a way that relates to all our students as well as the staff. Mr. Jones' themes focus on perseverance, respect, determination, and positivity. Mr. Jones relates his stories to the students so well, he keeps them engaged and interested in what he is saying.

Mr. Jones' truly has a spark that is contagious. He spreads joy, love and positivity where every he goes. He is one of the most dynamic presentators I have ever heard. I am truly honored to have had him join us and speak to our students.
